MEMORANDUM FOR: SR/RR

SUBJECT : Soviet Constitution

1. In a conversation AECASSOWARY/29 had with Petro Kamefyanovich NEDBAYLO, of the Ukrainian Delegation to the United Nations, the latter said he was working on the revision of the first part of the Soviet Constitution which should be ready in approximately one year. He also told A/29 the following: The Soviet federalistic system will be retained under the Constitution. Sovereignty of the republics will be strengthened "but, of course practical implementation of those provisions will depend on the actual political situation." The role of civic organizations also will be increased. The question of the use of Russian as the official language probably will be omitted. NEDBAYLO said he did not foresee any real basic changes in the Constitution.
